DOCKET NO.: 2021-232-T

**Application of Gamecock Moving, LLC
(PSC/ORS Certificate No. . 9840-A) to Amend
its Tariff and for Approval of Electronic Bill
of Lading**

**AMENDED APPLICATION
AND
REQUEST FOR WAIVER OF NOTICE**

Gamecock Moving, LLC (“Gamecock Moving” “Applicant”) holds PSC/OR Certificate No. 9840-A issued pursuant to Order No. 2017-438 and is authorized to transport household goods between points in South Carolina. Gamecock Moving requests the Public Service Commission of South Carolina (“Commission”), pursuant to S.C. Code Reg. 103- 823 (Applications) and 103-190 (“Tariffs”), and other applicable rules and regulations of the Commission to amend its Tariff, for approval of an electronic Bill of Lading, and for waiver of notice. In support of this application, Applicant states follows:

I. Amended Tariff

1. Gamecock Moving’s current tariff was approved on November 7, 2019, by the Commission in Order No. 2019-70, Docket No. 2019-295-T. Gamecock Moving now requests permission to amend its tariff to increase its rates, require a deposit, and charge a rescheduling fee.

2. Gamecock Moving’s proposed tariff, along with a redlined copy of its current tariff showing the proposed changes are attached as Exhibits A and B to this application.

3. A summary of the proposed changes is attached as Exhibit C.

4. Gamecock Moving submits the proposed changes are reasonable and necessary

for the conduct of its business. Specifically, the increases in rates for moving reflect increased operating costs and demand for Gamecock Moving's services. The customer deposit and rescheduling fee are necessary to partially offset the disruption and lost business caused by customers who change or cancel their plans, leaving the Applicant with lost opportunities to serve other customers.

II. Electronic Bill of Lading

5. Applicant's proposed electronic Bill of Lading contains information as required by S.C. Code Reg. 103-159. Screenshots of the proposed bill of lading are attached as Exhibit D. This Bill of Lading will replace the one approved by the Commission in Order 2018-169.

6. Applicant will retain a database of the electronic bills of lading at its office and maintain them for a minimum of three years as required by Regulation No. 103-158. This database and its printed contents will be available for review and inspection by the South Carolina Office of Regulatory Staff.

7. Each shipment by a household goods motor carrier must be accompanied by the bill of lading or some other procedure authorized by the Commission pursuant to Regulation No. 103-162. Applicant seeks approval to use an electronic bill of lading process described above as an "other procedure."

8. The Bill of Lading provides for the mover and customer's acknowledgement of insurance and receipt of goods.

9. The advantages of an electronic bill of lading include the elimination of mathematical errors, exact duplication of the mover and customer's documentation, clarity, and accuracy.

10. The Bill of Lading will be delivered by email. If a customer does not have access to email or desires a paper copy, Gamecock Moving will furnish one.

III. Request for Waiver of Notice by Publication

11. Waiver of notice by publication is expressly allowed by the Commission's

regulations. S.C. Code Reg. § 103-193(2).

12. Gamecock Moving submits the Commission's website and Docket Management System will give adequate notice of this application, which does not propose significant changes to the Gamecock Moving's tariff.

13. Based on the past cost of similar notices, Gamecock Moving is informed and believes an advertisement of this application will cost at least \$300 an amount which would be unduly burdensome given the limited scope of this application.

Conclusion

WHEREFORE, for the foregoing reasons, and for good cause shown, Applicant respectfully requests approval from the Commission to amend its tariff and for approval of an electronic bill of lading for its household goods moves in South Carolina.
